

# Galaxy Series Tunnel Light

## Product description:

Galaxy Series Led Tunnel Light is professional linear tunnel lighting fixtures, with pioneered asymmetric lighting design in the industry, which ensure luminance uniformity and substantially reduce visual glare level in the driving direction. Front high strength tempered glass protects internal optical devices and meets the requirement of high-pressure water gun cleaning. Innovated fast mounting bracket greatly reduce the cost of construction and installation. Tool-free electrical installation structure fully realizes maintenance without tools.

## Products features:

- ▶ Integral linear structure design, meeting tunnel lighting requirements
- ▶ Pioneered asymmetric lighting design, effectively improving effectively visual comforts  
Tool-free electrical maintenance structures, effectively reducing the cost of maintenance
- ▶ Patented fast installation mounting bracket, highly reducing the cost of installation
- ▶ High strengthen and high transparent tempered glass , fully meeting the requirement of tunnel cleaning
- ▶ Integrated transverse convection design, excellent heat dissipation and stable performance

## Application:

City tunnel, expressway tunnel ,railway tunnel

	Model	Power	qty of LEDs	Flux	CCT	Dimension
Standard	TL1F-S030F024	30 W	24 pcs	3300 lm	3000-5000 K	L340xW165xH160mm
	TL1F-S045F036	45 W	36 pcs	5000 lm		
	TL1F-S060F048	60 W	48 pcs	6600 lm		
	TL1F-S075F060	75 W	60 pcs	8300 lm		L380xW165xH160mm L480xW165xH160mm
	TL1F-S090F072	90 W	72 pcs	9900 lm		
	TL1F-S120F096	120 W	96 pcs	13200 lm		
Premium	TL1F-S030F012	30 W	12 pcs	4200 lm	3000-5000 K	L340xW165xH160mm
	TL1F-S040F016	40 W	16 pcs	5600 lm		
	TL1F-S055F024	55 W	24 pcs	7700 lm		
	TL1F-S070F030	70 W	30 pcs	10200 lm		L380xW165xH160mm L480xW165xH160mm
	TL1F-S085F036	85 W	36 pcs	12300 lm		
	TL1F-S110F048	110 W	48 pcs	16000 lm
